

Methodological and Technological issues in Technology Transfer

[Other reports in this collection](#)

12: Forestry Sector

[Executive Summary](#)

[12.1 Introduction](#)

[12.2 Climate Mitigation and Adaptation Technologies](#)

[12.2.1 Features of Forestry Mitigation Technologies](#)

[12.2.2 Climate Change Mitigation Technologies](#)

[12.3 Current and Emerging Pathways in Technology Transfer](#)

[12.3.1 Current Pathways](#)

[12.3.2 Emerging Pathways](#)

[12.3.3 Climate Mitigation Related Pathways](#)

[12.3.4 Generic Barriers to Technology Transfer](#)

[12.4 Technology Transfer within Countries](#)

[12.4.1 Technology Transfer within Annex I Countries](#)

[12.4.2 Technology Transfer within non-Annex I Countries](#)

[12.5 Technology Transfer between Countries](#)

[12.5.1 Technologies to be transferred](#)

[12.5.2 Barriers of Technical Capacity](#)

[12.5.3 Barriers of Credibility and Uncertainties in Mitigation in the Forestry Sector](#)

[12.5.4 Technology Transfer between Annex I and non-Annex I Countries](#)

[12.5.5 Technology Transfer among Annex I Countries](#)

[12.5.6 Technology Transfer among non-Annex I Countries](#)

[12.5.7 Institutional Mechanisms](#)

[12.5.8 Financial Mechanisms](#)

[12.6 Examples of Conditions and Policies that Facilitate Technology Transfer](#)

[12.7 Adaptation](#)

[12.8 Lessons Learned](#)
